Dear Valued Customer:

Transportation Services to the Arctic and Kivalliq Regions

Due to extensive damage to the rail line to Churchill, Manitoba and the recently announced indefinite suspension of operations by OmniTRAX, it is anticipated that the majority of the freight destined for the Arctic and Kivalliq Regions will now move via the Port of Montreal.

Gardewine Group LP offers flat deck service throughout Canada, including service into Montreal and LTL service from Ontario points into Montreal, allowing us to assist our valued customers who require this service.

For additional information regarding rates and service days into Montreal, Quebec, please contact your Account Manager, or Customer Service at 1.204.631.3709 or customerservice@gardewine.com .

Yours truly,

Gardewine Group LP
